Helpful Packing Tips

Pack with your child

Packing with your child is a great way to build excitement about camp and also a great way to talk through any worries or anxieties your child may have about their time away at camp. In addition, it gives you the opportunity to make sure that they pack everything they need to bring, and leave at home the stuff that should stay at home. It also helps the child to know where in their bag or suitcase all of their items are located.

Send a checklist for your child to help them on Friday morning

You can use the same checklist that you used when you packed. Pack the checklist in your child's luggage and instruct them to use it when they pack up to come home. This will help your child leave with everything they came with.

What to pack your stuff in

Pack your stuff in something that you can carry a short distance from the Parking Area to the cabins. A duffel bag or suitcase is fine. Pillows, bedding, and sleeping bags do great in large plastic trash bags (make sure you put a label on the trash bag so that we know who it belongs to).

Label everything you can

Put your child's first and last name on everything you can with a permanent marker. Be sure to label you child's luggage. If you child loses something (and they usually do) it will turn up in Lost and Found. Having a name on the items makes it much simpler to return it to your child. Every year at camp there are many towels and items of clothing that gets left behind at camp. A name on these items can help make sure everything makes it home.

Pack appropriate attire for camp

Pack clothing that is comfortable in hot Arkansas weather, suitable for outdoor games, and can get wet and/or dirty without being ruined. Please pack nicer clothes for the evening worship service. Campers should not pack clothing that promotes alcohol, tobacco, drug use, sexual behavior, or contains inappropriate language. As a Christian camp, we expect a high standard of conduct and dress. Please, no spaghetti straps, bare mid-riffs, or improper slogans. Shorts should be modest (not too tight, too high, or too low), and bathing suits should be one piece and modest. We reserve the right to ask campers to change improper clothing.

About Swimsuits

We require that female staff and campers wear modest one-piece suits while at camp (modest tankinis are acceptable), and that male campers wear swim trunks or board shorts.

Medications

All medications (prescription, non-prescription and over-the-counter) remain with and are dispensed by the adult counselors who will accompany your kids. Please coordinate with them before camp.
