## ATTENTION! URGENT HEALTH ISSUE!

Dear Counselors and Parents:

StoneRidge Camp focuses on helping each camper know and grow in Jesus Christ. While our focus is spiritual when there are several hundred campers at StoneRidge we must also deal with physical problems as well and we need your help to deal with one issue in particular: lice.

While we do want our kids itching to *come* to camp, we don't want them itching when they *get* to camp. In past years we have had a few campers come to StoneRidge Camp with cases of head lice. While those campers were required to leave camp as soon as this condition was known, it only takes one instance of contact to spread lice to someone else. **Therefore, we need your help to keep any cases of lice from arriving at camp in the first place.** Please help us by inspecting or having someone inspect each of your campers for lice BEFORE they come to camp. While this might be a little awkward to do so, it will be much less awkward than having to bring them home before camp ends. Thank you for helping us with this issue so that our Church Camp will be a great experience for everyone.

## Be Sure To Pack the Following:

Camp will be five days and four nights, with a church service style worship service each night. Arkansas weather at the end of June is hot, the terrain at camp is hilly and rocky, and we encourage the kids to stay out of the cabins as much as possible; please take this into consideration when packing.

### Clothing

- Sleepwear/Pajamas
- Underwear and Socks for a Week
- Short Sleeve Shirts for the week (no sleeveless shirts)
- Shorts for the week
- Clothes for the evening worship service. **We encourage the kids to dress nicer for the evening worship service than the rest of the week. Jeans or slacks with a polo or button-up shirt for the boys, and a dress or something comparable to the boys for the girls.**
- One lightweight long sleeve shirt or sweatshirt
- Swimsuit **(One piece, with a cover-up for walking to and from the pool. Boys will need a shirt for walking to and from the pool.)**
- Shoes

### Toiletries

- Toothbrush and Toothpaste
- Shampoo and Conditioner
- Soap in a container
- Toiletries Bag (the showers are located inside each cabin so they don't have to be carried far)
- Bath Towel & Washcloth
- Beach Towel for the pool

### Other Items

- Bible
- Notepad and pen
- Bedding – Sleeping Bag or twin-sized sheets and blanket

- Pillow and Pillowcase
- Laundry Bag for Dirty Clothes
- Sunscreen
- Any Medications **MUST** be turned in to the adults from your church who are going to camp

### Optional Items

- Insect Repellent (the main areas are sprayed for ticks and chiggers, but you may be susceptible to these if you wander into the woods or out of the main program areas.)
- Flashlight w/extra Batteries
- Sandals or Flip flops for walking to the pool
- Raincoat/Poncho
- Hat & Sunglasses
- Camera
- Water Bottle
- Snacks and/or money for concessions (the camp has a concession stand where candy, chips, ice cream, and drinks can be purchased. Most things are \$1)
- Baseball bats, gloves, and balls; Frisbees, other recreational game equipment.

### Things to Leave AT Home

- Electronic Items, Video games, iPods, MP3 or CD players
- Weapons, Knives, etc.
- Anything which would result in tremendous unhappiness if it were lost, broken, or dirty
- Water guns & shaving cream

## Helpful Packing Tips

### **Pack with your child**

Packing with your child is a great way to build excitement about camp and also a great way to talk through any worries or anxieties your child may have about their time away at camp. In addition, it gives you the opportunity to make sure that they pack everything they need to bring, and leave home the stuff that should stay at home. It also helps the child to know where in their bag or suitcase all of their items are located.

### **Send a checklist for your child to help them on Friday morning**

You can use the same checklist that you used when you packed. Pack the checklist in your child's luggage and instruct them to use it when they pack up to come home. This will help your child leave with everything they came with.

### **What to pack your stuff in**

Pack your stuff in something that you can carry a short distance from the Parking Area to the cabins. A duffel bag or suitcase is fine. Pillows, bedding, and sleeping bags do great in large plastic trash bags (make sure you put a label on the trash bag so that we know who it belongs to).

### **Label everything you can**

Put your child's first and last name on everything you can with a permanent marker. Be sure to label your child's luggage. If your child loses something (and they usually do) it will turn up in Lost and Found. Having a name on the items makes it much simpler to return them to your child. Every year at camp there are many towels and items of clothing that get left behind at camp. A name on these items can help make sure everything makes it home.

### **Pack appropriate attire for camp**

Pack clothing that is comfortable in hot Arkansas weather, suitable for outdoor games, and can get wet and/or dirty without being ruined. Please pack nicer clothes for the evening worship service. Campers should not pack clothing that promotes alcohol, tobacco, drug use, sexual behavior, or contains inappropriate language. As a Christian camp, we expect a high standard of conduct and dress. Please, no spaghetti straps, bare midriffs, or improper slogans. Shorts should be modest (not too tight, too high, or too low), and bathing suits should be one piece and modest. We reserve the right to ask campers to change improper clothing.

### **About Swimsuits**

We require that female staff and campers wear modest one-piece suits while at camp (modest tankinis are acceptable), and that male campers wear swim trunks or board shorts.

### **Medications**

All medications (prescription, non-prescription, and over-the-counter) remain with and are dispensed by the adult counselors who will accompany your kids. Please coordinate with them before camp.
